

Cambodia

The Lutheran Hour Ministries (LHM) center in Cambodia was established in 2000 for the purpose of giving everyone in Cambodia the opportunity to hear the Gospel of Jesus Christ.

Most people in Cambodia live in rural areas and have few material possessions. This makes Bible Correspondence Courses (BBC), with free materials and lessons by mail, an effective tool in educating remote communities about God. BBC is also used to give people in prison hope in Jesus Christ.

LHM—Cambodia also produces and distributes printed devotions, Christian postcards, LHM children's videos (such as *Red Boots for Christmas*), along with other children's and adult literature. Puppet ministry performed there is popular among young and old alike.

Furthermore, the Equipping the Saints program in Cambodia focuses on giving everyday people practical knowledge and evangelical tools to communicate the Gospel to their communities.

HOW TO GET INVOLVED

You can get involved through a one-time gift, ongoing support, or by traveling to the ministry center to do hands-on ministry. LHM will keep you updated on your partner ministry center, actively communicate with your family, group, or congregation, and open up new means of involvement. All levels of commitment are available.

Sponsor — You will become engaged in global outreach ministry by interacting directly with an LHM international ministry center and committing your ongoing prayers and support.

One-time Gift — Use your one-time donation, fundraising event, or door offering to support the efforts of an LHM ministry center of your choosing.

Volunteer — See the Gospel at work through hands-on service. Form a volunteer team to participate in evangelism, building projects, Vacation Bible School, children's events, medical clinics, and much more, in partnership with an LHM international ministry center.

LHM reaches children through puppet shows that tell Bible stories.
